

ATHLETIC DIRECTORS CORNER

November 2009

This fall was an exciting season in sports at PCS:

- For the first time since we have been in the Bicentennial Athletic League, our Field Hockey team came in first place with a record of 14-4! Not only that, but Celise Feller was named MVP and Coach Jamie Crown was named Coach of the Year. Erica Whitney, Ali Young, Celise Feller, Mary Grace Friedell and Katie Handzlik were all named to the BAL First team. (there is no second team.) Alex Petrie was named honorable mention.
- Our boy's soccer team finished 7-6-1. Brian Loesser, Chris Brittingham and Cory Brautigam were named to the BAL first team. Stephen Rosenthal and Seth Gresham were named to the second team and Max Drake was honorable mention.
- Our girl's tennis team finished the season with an exciting win vs. Academy Park High School. Alyssa Inserra finished with a terrific third place finish in the BAL singles tournament.

November 20 marks the first official day of practice for high school basketball and wrestling as well as junior high girl's basketball. If you did not play a fall sport, please get your physical forms in ASAP. You will **not** be permitted to practice without them.
