

First Day of School at Peace Valley Campus

September 1 was the first day of school at Plumstead Christian School, and it was a perfect day! The sun was shining, the weather was mild, and the children and teachers were excited to be back! First day activities included getting to know a new teacher, learning the names of new classmates, an introduction to "what we'll learn about this year," and of course, lunch and recess!

The elementary principal, Mrs. Terri Miquel, visited each class to read a book about polite behavior to the students. Each student received a special sticker from Mrs. Miquel. As the day ended and the children left for the day, it was rewarding to see that Plumstead was once again embarking on an exciting new school year.
