

The Slingshot Heard 'Round the World

Congratulations to our fourth and fifth grade students on their excellent performance of *The Slingshot Heard 'Round the World* last Friday night! The cast of 25 students began weekly rehearsals in January and did a wonderful job learning the scenes, songs, and choreography that made the musical a success. Narrators Jennifer Murray and Jessica Hopkins led the audience through the exciting Biblical account of David and Goliath. In the story God uses a courageous young man named David, played by Luke Brautigam, to deliver the Israelites from the fearsome (but not very intelligent) giant Goliath, played by Mr. Chip Leaver. Goliath's brothers played by Connor Seelig, Alex Hartzel, Isaac Shelton, and Mason Leaver, added humor to the story and had the audience chuckling on more than one occasion. Well done everyone!
